

Project Name:

Cheyenne Family YMCA Improvements & Renovations

Recipient:

Cheyenne Family YMCA

Address:

1426 E Lincolnway
Cheyenne, WY 82001

Amount Requested:

\$1,000,000

Project Explanation:

The funding would be used to update the historic, 60-year-old YMCA building, allowing them to continue providing educational youth programming and service to the community in the future. These funds would be used to modernize the aquatic facility, expand the affordable childcare center, and replace old and outdated structural components (ADA modifications, HVAC system, roof replacement, pool mechanics, and physical plant upgrades), which would allow the YMCA to continue to engage youth and families, provide social services and supports, and promote positive youth development. This investment would allow these essential functions to continue serving the 65,000 residents of Cheyenne for another sixty years and as such will be a valid use of taxpayer funds.
