

Project Name:

Senator Mike Enzi Memorial Overpass Replacement Project

Recipient:

City of Gillette

Address:

201 E 5th Street
Gillette, WY 82716

Amount Requested:

\$7,000,000

Project Explanation:

The funding would be used to replace the existing Gurley Overpass, which was constructed in 1981. This structure is used by first responders and citizens traveling between the north and south sides of the city. However, the overpass is nearing the end of its anticipated useful life and requires regular maintenance resulting in frequent shutdowns and safety concerns. This appropriation is a valid use of taxpayer funds as it will allow design to start this fall and construction to begin years earlier than otherwise would be possible, improving safety and mobility through the city of Gillette and providing critical access for its citizens for decades to come. Additionally, the plan to rename this after the late Senator Mike Enzi will provide a lasting tribute to his lifetime of service to Wyoming and the entire nation.

Housing and Urban Development, and
Related Agencies
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Price and Ranking Member Diaz-Balart,

I am requesting funding for the Senator Mike Enzi Memorial Overpass Replacement Project in fiscal year 2023 Transportation, Housing and Urban Development, and Related Agencies appropriations. The entity to receive funding for this project is the City of Gillette, located at 201 E. 5th Street, Gillette, WY 82716.

The funding would be used to replace the existing Gurley Overpass, which was constructed in 1981. This structure is used by first responders and citizens traveling between the north and south sides of the city. However, the overpass is nearing the end of its anticipated useful life and requires regular maintenance resulting in frequent shutdowns and safety concerns. This appropriation is a valid use of taxpayer funds because it will allow design to start this fall and construction to begin years earlier than otherwise would be possible, improving safety and mobility through the city of Gillette and providing critical access for its citizens for decades to come. Additionally, I am proud of the plan to rename this after the late Senator Mike Enzi, providing a lasting tribute to his lifetime of service to our great state and the nation. I urge the committee to include this request in fiscal year 2023 appropriations.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Liz Cheney
Member of Congress
